

## 2024 State Conference for Public School Foundations

# Elevate

Don Clifton Center for Professional Learning, Lincoln  
November 4, 2024

In November, public school foundation leaders from all across Nebraska will convene in Lincoln for “Elevate,” our statewide conference. With a healthy emphasis on fun, we will enhance fundraising, leadership and community engagement skills.

**Statewide Reach:** This is your opportunity to connect with Nebraska’s education and nonprofit leaders from the sandhills to the Missouri River. All in one place.

**Influence and Impact:** Foundation leaders across Nebraska are not just influencers in their communities, they directly improve educational opportunities for students. Your sponsorship puts your brand in front of this influential group, allowing you to help shape the future of education in Nebraska.
