CPI Dual-Credit Scholarships

Some of the Career Pathways Institute courses offer college credit. Taking the courses for college credit is not mandatory. The Grand Island Public Schools Foundation offers scholarships in a competitive process to help cover the tuition expense for college credit.

Questions regarding CPI Courses and college credit should be directed to CPI at 308-385-5601.

Eligibility

Scholarship applications will be considered for students enrolled in a Career Pathways Program at Grand Island Senior High, Adams Street Campus, Central Community College, and any other campus served by the Career Pathways Institute. Students must also be enrolled as a high-school student.

Students must meet the following criteria:

- Currently enrolled as a high-school student
- Have completed the CPI admittance application
- Be accepted and enrolled in a CPI Pathway
- Scholarship will only pay for CPI CCC classes

NOTE: This is a last dollar scholarship. Students should apply for all other scholarship opportunities that they qualify for, including **Access College Early (ACE)**. This scholarship, if awarded, will generally fund the balance of the Career Pathway dual-enrollment not covered by other programs.

Scholarship Benefits

Scholarship Recipients will be eligible for tuition of up to two (2) classes (generally 6 credits) per semester. Additionally, other items may also be considered for scholarships including books and technology fees.

Scholarship Awards

In 2013, the Foundation began offering dual-credit scholarships to students attending the Career Pathways Institute from the Career Pathways Scholarship Endowment. These scholarships are designed to pay college tuition for students who are taking courses that qualify. Since the program began in 2013, 179 Career Pathway Students were offered dual-credit scholarships.
